

1. 12 THE DISTRICT COUNCIL OF SAVANNE

- 1.12.1 The District Council of Savanne is responsible for overseeing the administration of the 17 villages falling under its jurisdiction. To this effect, the Council offers a wide range of services to the residents through its various Departments, namely Public Infrastructure, Land Use and Planning, Welfare, and Public Health; whilst support services are provided by officers belonging to the Administrative and Finance Departments.
- 1.12.2 In the context of this review exercise, the main representations from the Unions pertain to the upgrading of salary and creation of posts. Management, on the other hand, stated that the existing organisation structure is appropriate and has, consequently, not made any submission thereto related. It has, however, urged for a review of the salary of the grade of Committee Clerk and provision of training to its employees.
- 1.12.3 During the consultative meetings, the parties concerned were apprised of issues that do not fall under the purview of the Bureau and were informed on the appropriate course of actions to be taken in such cases. Where requests could not be entertained, the parties were so informed and adequate explanations were also provided to justify our stand.
- 1.12.4 Overall, we consider the present setup to be adequate to enable the Council to meet its set objectives. Further, specific recommendation has been made regarding the remuneration of the grade of Sewing Teacher (Part-time) in the Chapter on Observations and General Provisions of this Volume while the grade of Supervisor, Sewing Classes is being abolished.

Abolition of Grade

Recommendation 1

- 1.12.5 We recommend that the grades of Supervisor, Sewing Classes and Field Supervisor, Road Works (Personal) be abolished.
