

3.7 Mechanical Workshop

- 3.7.1 The Mechanical Workshop is tasked to provide its services in connection with repairs, maintenance and servicing of Government vehicles as well as for the examination of private vehicles for the issuance of fitness certificates on behalf of the National Land Transport Authority.
- 3.7.2 Currently, owing to the unfilled position of the grade of Mechanical Engineer/Senior Mechanical Engineer, an officer in the grade of Technical Officer (Mechanical) is performing the duties pertaining to examination and evaluation of vehicles against the payment of a survey fee and an examination fee. The aforesaid officer is also entitled to a Duty Allowance for examining, assessing, evaluating and reporting, after normal working hours, on damages sustained by Government vehicles involved in accidents. Pending the filling of the post of Mechanical Engineer/Senior Mechanical Engineer, the payment of these allowances is being maintained.
- 3.7.3 As the present organisation structure is fit for purpose, we are, in this Report, maintaining same while revising the existing allowances.

Survey Fee

Recommendation 1

- 3.7.4 **We recommend that the Technical Officer (Mechanical) should be paid a survey fee of Rs 755 per examination for inspecting vehicles, purchased under a duty-free scheme by public officers and taxi owners, and which were involved in accidents as well as declared total loss by insurance companies.**

Examination Fee

Recommendation 2

- 3.7.5 **We also recommend that the Technical Officer (Mechanical) should be paid an examination fee of Rs 755 per examination for carrying out examination of vehicles for road worthiness, outside normal working hours.**

Duty Allowance

Recommendation 3

- 3.7.6 **We recommend that, for the examination outside normal working hours of Government vehicles involved in accidents, the Technical Officer (Mechanical) should be paid a Duty Allowance of Rs 1155 per month.**
